### Prolog sponsors search for Babergh's Community Heroes

4<sup>th</sup> November 2010

For Immediate release

Promotional Logistics, Britain's largest privately owned marketing and logistics services company is proudly sponsoring Babergh District Council's 19th annual search for local heroes.

Babergh District Council is looking for young people, individuals, voluntary groups and businesses that make communities special as it launch its 19th annual awards scheme.

The Community Achievement Awards aims to honour those individuals and groups who make a real difference in their community and help to build a better place in which to live and work. Nomination forms are winging their way to schools, parish and town councils, businesses, voluntary groups and charities and Babergh is urging anyone who knows someone who may be eligible to grab a form and nominate!

This year's award categories are: outstanding contribution made by a young person or group of young people 18 years or under; selfless service by an individual (over 18) to a voluntary body or to the community; voluntary or community group that improves the quality of life for residents in our district and outstanding business contribution to the well-being of the community.

The deadline for nominations to be returned to Babergh is the 30th November 2010, with judging taking place in early December and all winners notified by Christmas. Winners will then be invited to an awards ceremony, compared by Mark Murphy, from BBC Radio Suffolk's Breakfast programme, which will take place on 9th March 2011.
