### **New Sales Manager announced at Prolog**

29<sup>th</sup> November 2010

For Immediate release

Promotional Logistics, Britain's largest privately owned marketing and logistics services company, has appointed Sales Manager Nick Turnbull to their team.

Based at Prolog's Head Office in Sudbury, Nick joins Prolog with over 8 years of solutions sales experience. Most recently he worked in the software industry promoting complex data management solutions to large blue chip manufacturing companies.

Announcing the appointment, Commercial Director, Ian Dignum said: "Nick's appointment to Prolog allows us to use his expertise to create bespoke solutions for our existing clients, as well as allowing us to offer potential clients tailor made services".

## Notes for editors

**Prolog** is one of the few UK companies to offer a totally comprehensive range of integrated outsourcing solution services. Underpinned by a huge storage and distribution infrastructure and advanced systems technology, Prolog provides everything that commercial and public sector clients need to support marketing and communications campaigns, including POS handling and distribution, bulk literature storage and distribution, mailing services, bulk collation and packing and database management.

**Prolog** also provides inbound/outbound telephone marketing and customer service and specialises in national and international supply chain solutions.

With more than 25 years' experience in outsourcing support services, Prolog employs over 1200 people in East Anglia, the East Midlands, Merseyside and London. Flexibility, scalability and massive capacity characterise the Prolog service, which stands out for its adaptable storage and fulfilment solutions and high quality customer care and customer communications.
